

## **Business Problems**

- 1) What type of restaurant do the majority of customers order from?
- 2) How many votes has each type of restaurant received from customers?
- 3) What are the ratings that the majority of restaurants have received?
- 4) Zomato has observed that most couples order most of their food online. What is their average spending on each order?
- 5) Which mode (online or offline) has received the maximum rating?
- 6) Which type of restaurant received more offline orders, so that Zomato can provide those customers with some good offers?
